Program Organization and Administrative Personnel

The SASA Rec. Baseball Program shall be operated under the direction and supervision of the SASA Directors and their staff, all of whom are employed by SASA. **The final decision(s) on anything covered or not covered in this rule book will be made by the SASA Board of Directors and/or its representatives. Be it understood that by registering for this program, you accept the purpose, direction and philosophy of the program.**

Liability

The program directors, umpires, sponsors, coaches, managers, scorekeepers or any other supervisory personnel are not responsible for injuries to persons or damages to property. This is entirely the responsibility of persons participating such as: players, coaches, managers, parents, and spectators – all of whom participate at their own risk.

Purpose

The general purpose of the SASA Rec. Baseball Program is to provide a common interest in sportsmanship, fellowship, skill improvement and physical fitness: to bring area youth closer together through the means of recreational competition: and to keep the welfare of the youth first and foremost.

Specific purposes are:

1. To promote safety first by encouraging only programs with strict controls over ages and equipment.
2. To acquaint each and every player with such baseball fundamentals as hitting, fielding, running bases, throwing mechanics and physical fitness.
3. To inspire players in good habits such as sportsmanship, fellowship and respect for coaches and umpires.

Philosophy

The established philosophy of the SASA Board of Directors is that all participants enrolled in youth sports have the guaranteed right to play in every game regardless of skill level. As a result of this guiding philosophy, rules and regulations governing play, eligibility, and sportsmanship have been developed. It is always the duty of the coach to inform SASA of adverse conduct or situations.

It has been the philosophy of SASA to provide a recreational based youth league program for the players of all age groups. SASA will provide this recreation program under the following guidelines:

1. That every participant is able to play and will be allowed to have fun.
2. SASA will provide a recreational program for which the main concern is fun for all players.
3. SASA will make every attempt to provide equity of play by dividing ability levels into several classifications.

Coaching Ethics

A baseball coach, by example of his/her behavior. Affects hundreds of youngsters in the City of Stillwater, as well as the entire baseball/softball program. A coach should:

2. Be considerate of player's feelings and exhibit self-control at all times.
3. Show respect for opposing players, coaches and fans.
4. Cooperate with officials and treat them with respect.
5. Make sure that all players get in the game at least one inning (defense).
6. Allow the players to have fun.
7. Teach players fundamentals.

A Coach shall refrain from:

Sportsmanship

1. Poor sportsmanship and/or foul language will not be tolerated. Any derogatory remarks to officials, opposing coaches, fans, or players can result in suspension from play or forfeiture of the game.
2. Umpires are tasked with keeping the peace to allow the kids to compete in a recreational atmosphere. If you are interfering with this atmosphere the umpire(s), site director or SASA Management will remove you.
3. **Any coach/fan/parent ejected from a SASA event (games or practices) must leave SASA property immediately and may not re-enter SASA property for the remainder of the day. Additionally, the ejected coach/fan/parent will not be allowed to attend/participate (suspended) in the next game. Ejected coaches/fans/parents may petition to the SASA Board of Directors through the Grievance Chair to have their suspension nullified.**
