Little League Baseball

Program Organization and Administrative Personnel

The SASA Rec. Baseball Program shall be operated under the direction and supervision of the SASA Directors and their staff, all of whom are employed by SASA. **The final decision(s) on anything covered or not covered in this rule book will be made by the SASA Board of Directors and/or its representatives. Be it understood that by registering for this program, you accept the purpose, direction and philosophy of the program.**

Purpose

The general purpose of the SASA Rec. Baseball Program is to provide a common interest in sportsmanship, fellowship, skill improvement and physical fitness: to bring area youth closer together through the means of recreational competition: and to keep the welfare of the youth first and foremost.

Specific purposes are:

1. To promote safety first by encouraging only programs with strict controls over ages and equipment.
2. To acquaint each and every player with such baseball fundamentals as hitting, fielding, running bases, throwing mechanics and physical fitness.
3. To inspire players in good habits such as sportsmanship, fellowship and respect for coaches and umpires.

Philosophy

The established philosophy of the SASA Board of Directors is that all participants enrolled in youth sports have the guaranteed right to play in every game regardless of skill level. As a result of this guiding philosophy, rules and regulations governing play, eligibility, and sportsmanship have been developed. It is always the duty of the coach to inform SASA of adverse conduct or situations.

It has been the philosophy of SASA to provide a recreational based youth league program for the players of all age groups. SASA will provide this recreation program under the following guidelines:

1. That every participant is able to play and will be allowed to have fun.
2. SASA will provide a recreational program for which the main concern is fun for all players.
3. SASA will make every attempt to provide equity of play by dividing ability levels into several classifications.

2. ~~Each batter will be allowed only 3 strikes. Batters may not strikeout on a fouled ball or hit tee.~~

9. Base runners are not allowed to lead off or steal bases.
10. The coach assisting the hitters at the plate may not reposition the T around the plate to effect where the ball is hit. Ie the T must remain in the center of the plate.

Defensive Rules

12. Only 6 players will be allowed on the infield (in front of base lines) all other players must play behind the baselines as outfielders.
13. Safety Arc: There shall be a thirty (30) foot arc drawn from (1st) baseline to third (3rd) baseline in front of home plate. Infielders must stay behind this line until the ball is hit. In the absence of a painted line defensive players must stay the same distance away as the dirt area in front of the pitcher's rubber before the ball is hit.
14. Pitchers must have 1 foot in contact with the dirt area around the pitcher's mound before each attempt to strike the ball by the batter.
15. Outfielders must begin each attempted swing behind the baselines.
16. Defensive players may not interfere with baserunners attempting to advance to the next base. When interference is called the runner will be awarded the base they are attempting to advance to.
