Offensive Rules

1. A batting order is to be established prior to the start of each game. The entire roster of players will be allowed to bat in continual series regardless of the # of outs or runs scored.
2. The coach is responsible for positioning the tee height according to each of his/her batters. The coach is also responsible for placing the ball on the T for his/her batters.
3. The coach assisting the hitters at the plate may not reposition the T around the plate to effect where the ball is hit. The T must remain in the center of the plate.
4. Once the ball is placed on the T and the defense is ready for play the umpire will call "Play Ball" and the batter can proceed to strike the ball.
5. The ball will be considered live if any part of the hitter's bat strikes the ball causing it to go further than the painted line marking the dead ball zone (5ft). In the absence of a painted line dead ball zone will be denoted by the grass line outside of the dirt Homeplate circle in fair ground. Striking the T causing the ball to fall off does not constitute a live ball but will be counted as a strike.
6. **Bunting is not allowed.**
7. The coach assisting his/her players in batting is responsible for removing the T from the home plate area when a play at home plate is possible.

In the absence of a painted line defensive players must stay the same distance away as the dirt area in front of the pitcher's rubber before the ball is hit.
